

# Metropolitan Homelessness Commission Report

- Sept. 6, 2013

## Our Goal

### 100-Day Goal

- House 200 People (vulnerable and chronic homeless)

### Overall Takedown Target

- 1,094 (# of vulnerable and chronic pop. from PIT count)

### Takedown Target – monthly rate

- 27 (2.5% of 1,094)

### Pre 100-Day Housing Placement Rate

- 19 ( average # of people moved into permanent housing)

# Housing Placement Outcomes

\* August numbers are still being collected.

# Our Sub-goals

Units from Private Landlords: 62

- # of people housed: **39**

Section 8 Vouchers: 36

- 27 vouchers issued (+ 7 vouchers scheduled)
- 7 RTAs (Request for Tenancy Approval), 6 vouchers leased = **6**

Veterans: 50

- 29 VASH Vouchers leased
- 46 veterans & 10 family members = **56**

Nonprofits, Service Providers: 52

- # of people housed: **71**

# Our Key Achievements

- Facilitating collaborations among 30 partners from the nonprofit, business and government sectors
- Engaging the community to focus on ending chronic homelessness through Housing First
- Tripling the monthly Housing Placement from 19 people per month to 57 (an increase of 200%)
- Joining the 2.5% Club (at least 27 people move into permanent supportive housing each month)

## Key Achievements continued

- Creating community awareness around chronic homelessness and in the process raising more than \$90,000 in flexible money from private donations without a fundraising campaign
- Meeting weekly with providers, all working off the same database
- Encouraging community-wide reporting on monthly housing placement numbers

## Changes and Innovations

18 monthly Sect. 8 Vouchers

Private Landlord Relationships

Data sharing

# Key Insights We Gained

Collaboration allows us to leverage existing resources

Section 8 process:  
Plan to assist people find housing

A common, defined goal was essential to improving the community's housing placement rate
